About Keweenaw Land Association, Limited: Keweenaw is a mineral and land management company located in Ironwood, Michigan. The Company owns and manages approximately 1.3 million acres of mineral rights located primarily in Michigan's Upper Peninsula and northern Wisconsin. Keweenaw's business strategy is focused on generating long-term value through mineral ownership, strategic exploration partnerships, and royalty interests.

Forward-Looking Statements: This release contains forward-looking statements. These forward-looking statements are subject to a number of risks and uncertainties and should not be relied upon as predictions of future events or promises of a given course of action. Factors such as changing economic conditions, price fluctuations, land use, environmental and other governmental regulations, and the risk of loss from natural disasters could cause actual results to differ materially from those described in the forward-looking statements. As with any investment, past performance is not a guarantee of future results. The Company is currently not subject to the filing requirements of the Securities Exchange Act of 1934, as amended. The Company is categorized as “Pink Limited Information” under the OTC Pink Sheets.
